

2 Some things change,  
Some things stay the  
same

# WELCOME BACK TO SCHOOL

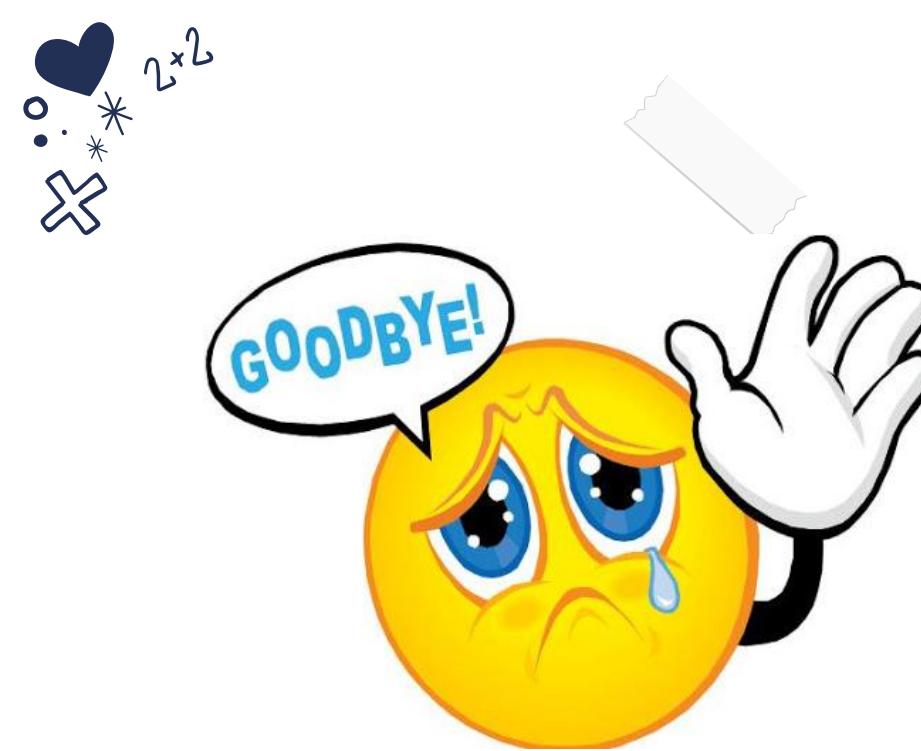

Scott took some time away from CWS to spend time with his new baby, but he is coming back! He will be a new teacher in the class. This is a change.

You will still see your friends everyday on zoom or in person. This stays the same!

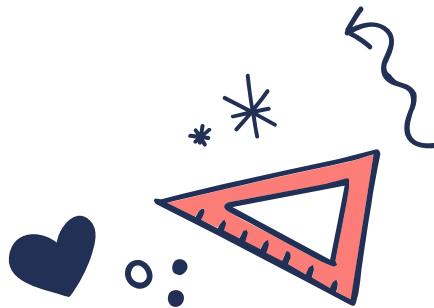

We won't see Joanne in the classroom or zoom anymore after this week. This is a change.

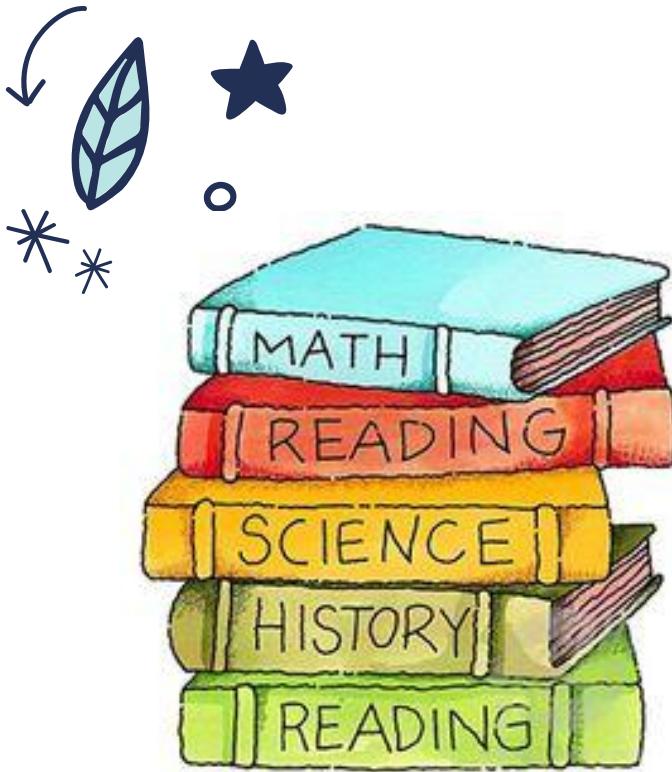

Shelby, Hallie and Grisy will still be here to support you and help you learn. This stays the same.

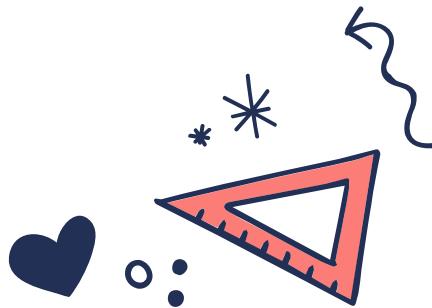

Scott will be teaching some of our lessons. This is a change.

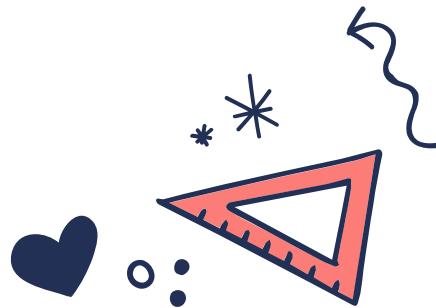

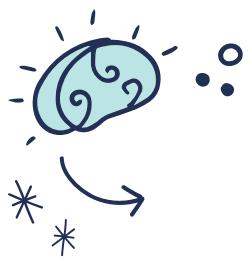

We will still learn reading, writing, math  
and social studies. This stays the same.

It's OK to have feelings about this!

We will be writing notes to Joanne to say thank you and goodbye.

Next week, we will be writing notes to Scott so he can get to know us.
